Re: MUR 3774
National Right to Life
Committee, Inc.

Dear Beth:

As per our telephone conversation of today's date, I am requesting an extension of time in which to file supplemental answers to the Commission's subpoena in the above-referenced matter.

Our reasons for this request are two-fold. First, several of the questions will require substantial investigation by National Right to Life Committee, Inc., including, but not limited to, investigations as to whether certain documents are available or in its possession. Second, I (who will have principal responsibility for initial preparation of the answers) am taking the Indiana Bar Examination on February 15 and 16, and, as a consequence of time needed for preparation, will have little or no time to consult with our client before the deadline of February 20, 1996.

In our conversation, you stated that an extension could be granted until February 27, 1996. Will you please send me a letter confirming this determination?

Thanks very much for your kind attention to this matter.

Sincerely,

BOPP, COLESON & BOSTROM
